

# Evangelism and Discipleship Materials

A shoebox gift is just the beginning of how the Good News of Jesus Christ is shared with children around the world through Operation Christmas Child. These ministry materials help boys and girls learn about Jesus and teach them to tell others about Him. We distribute shoebox gifts in over 100 countries. In most places, we use translations in a local language.

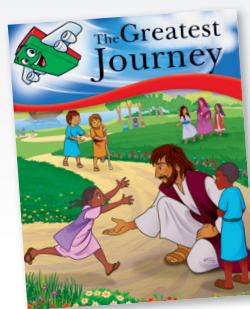

## GOSPEL PRESENTATION FLIP CHART

Ministry partners use this flip chart at community outreach events to present Jesus' life, death, and resurrection to children who receive shoebox gifts.

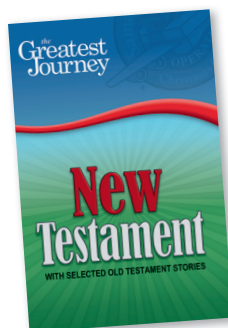

## THE GREATEST GIFT

Shoebox recipients receive this Gospel booklet about Jesus during an outreach event. Many of the boys and girls who take home the booklet read it with their families and friends.

## THE GREATEST JOURNEY

The children are invited to participate in this 12-lesson discipleship program that Samaritan's Purse developed for shoebox gift recipients. It is taught by trained local volunteers.

## BIBLE

Graduates of *The Greatest Journey* receive a certificate and a New Testament during a ceremony with family and friends. It is often a household's first copy of God's Word.

The Lord transforms families and communities as congregations grow and churches are started.
